Admissions

Requirements

Participants are required to attend an information meeting, complete TABE testing for reading and math at level 10, provide a cover letter and resume, and be selected by an employer for an internship.

Financial Aid

This program is not eligible for financial aid.

Tuition and Financial Assistance Through Job Centers

Connect with your Job Center at 920-929-3900 to see if you are eligible for tuition assistance. Additional funding may be available through various sources. Contact Moraine Park Technical College for additional opportunities..

FAQ's

How do I get started?

Simply connect with an advisor (contact information below). They will walk through the program and answer any questions you may have. If you're interested, they'll help you apply and provide resources to support you along the way.

Who enrolls in this program?

Anyone who wants to gain the skills to get a job fast in Wisconsin's high-demand advanced manufacturing industry.

Will I be successful?

Our streamlined training programs are specifically designed to get participants back to work fast. If you have the desire to be successful, we will support you every step of the way with studying support, career searches, counseling, and community resources. You are not alone.

How will I pay for this?

\$500 is due upon orientation one week prior to the start of class. Upon successful completion, participants will receive 75% refund. This program is not eligible for financial aid.

How will I get a job?

This program includes a paid internship. Over 80% of participants have obtained employment at their internship location. We also have a variety of ways to connect you to your next job in advanced manufacturing – from the ongoing support of our Career Services team to on-site job fairs and Tech Connect (a statewide job board exclusively for technical college students and grads). Bottom line, we will be there to help you along the way – and our success rate tells the story. 88% of program graduates are employed in their field.
