Bachelor's Degree

Lakeland University
UW Oshkosh
UW Stout

Important Notes on Transferring:

- The colleges listed above have developed an Associate Degree to Bachelor Degree Articulation Agreement with WITC (Bachelor Degree programs vary); other colleges may accept WITC credits upon a transcript review.
- The Transfer Information Systems (TIS) allows students to review which WITC courses could be accepted at UW Colleges. Review website for details: www.wisconsin.edu/transfer
- If interested in continuing your education or transferring credits to other colleges, it is encouraged you talk to the Transfer Coordinator or Advisor at your transfer school as soon as you start thinking about the process.

ACT for Healthcare Project Funding

This ACT program is 100% funded with a TAACCT Round IV \$19.9 million grant awarded by the U.S. Department of Labor's Employment and Training Administration. This is an equal opportunity employer/program which provides auxiliary aids and services upon request to individuals with disabilities by calling 711 or 800.243.9482 Voice/TTY. WITC is an Equal Opportunity/Access Employer and Educator. This workforce product was funded by a grant awarded by the U.S. Department of Labor's Employment and Training Administration. The product was created by the grantee and does not necessarily reflect the official position of the U.S. Department of Labor. The U.S. Department of Labor makes no guarantees, warranties, or assurances of any kind, express or implied, with respect to such information, including any information on linked sites and including, but not limited to, accuracy of the information or its completeness, timeliness, usefulness, adequacy, continued availability, or ownership.

Those with health care or aging services oriented careers can enhance their experience and education through specialization in Gerontology - Aging Services Professional through a single course, short-term certificate or the associate degree.

*Tuition (and tool costs, if listed) are for the 2017-2018 school year. If you have completed previous credits that transfer into the more advanced program, your costs may be less. Please speak with WITC staff if you have questions on how costs are determined. Tuition is an estimate and does not include any miscellaneous fees for various courses, tools, books, supplies or uniforms. Program book costs are in addition to tuition and fees and vary depending on course selection and where the books are purchased or rented. **Wage and employment data is compiled from the 2016 WITC or Wisconsin Technical College System (WTCS) Graduate Follow-Up Report; if not available, wage data is derived from the wage data compiled through Economic modeling software int'l (Emsi) based on the WITC county region and the SOC codes assigned through the WTCS. The wage data presented is a range from the 10th percentile to median earnings in December 2017 and may include the lowest wage level from the WITC or WTCS Graduate Follow-Up Report parent programs. Educational decisions should not be entirely based on the wage data presented as wages are subject to error and sampling bias. Some people may be hired at a lower or higher starting wage than what is reported here. Annual salaries, from Emsi data, are based on a 40 hour work week over 52 weeks (2080 hours).

Gerontology - Aging Services Professional Pathway

PATHWAYS TO WITC:

START COLLEGE IN HIGH SCHOOL

Take dual credit or advanced standing courses in high school. To find out what courses are available at your high school, go to: WITC .EDU and enter "Dual Credit" in the search button.
