Total Credit Hours					69

CREDIT FOR PRIOR LEARNING

Save Time - Save Money

Earn credit for your previous learning and acquired skills through credit for prior learning, a process that allows NTC to grant you course credit for knowledge and skills gained through a variety of previous educational, work, volunteer, military, independent study, corporate training and life experiences that is equivalent to NTC coursework.

There are several courses in this pathway that have credit for prior learning opportunities.

For more information, contact Student Records at 715.675.3331, Ext. 1023 or email studentrecords@ntc.edu.

DUAL ENROLLMENT

Your Student Can Earn College Credit While Attending High School

We collaborate with area high schools to provide your student with numerous opportunities to earn college credit early. In fact, many students begin college at NTC with an entire semester of coursework already completed and industry-recognized certifications that give them a competitive edge when beginning college and entering the workforce.

To learn more contact your son or daughter's school counselor, or visit www.ntc.edu/dual-credit

ADVANCED PLACEMENT

NTC accepts selected Advanced Placement (AP) exams with a score of 3 or higher for college credit. You can request official AP exam scores by going to apscore.collegeboard.org/scores/ and use NTC School Code - 0735 to have scores mailed directly to NTC.

TECHNICAL DIPLOMAS AND EMBEDDED TECHNICAL DIPLOMAS

Technical diplomas and embedded technical diplomas focus on hands-on learning of occupational skills and can take anywhere from one semester to two years to complete, depending on the particular program. Embedded technical diplomas fully ladder into associate degree and technical diploma programs.

ASSOCIATE DEGREES

Associate degrees traditionally are two-year programs that combine technical skills with general studies such as math, science, communication and social sciences.

Northcentral Technical College does not discriminate on the basis of race, color, national origin, sex, disability or age in employment, admissions or its programs or activities. The following person has been designated to handle inquiries regarding the College's nondiscrimination policies: Equal Opportunity Officer, Northcentral Technical College, 1000 W. Campus Drive, Wausau, WI 54401, Phone: 715.803.1057

This ACT program is 100% funded with a TAACCT Round IV \$19.9 million grant awarded by the U.S. Department of Labor's Employment and Training Administration. This program is an equal opportunity program and auxiliary aids and services are available upon request to individuals with disabilities. (Please include your college TDD/TTY information if outreach materials refer to a college telephone number for program information.)

This workforce product was funded by a grant awarded by the U.S. Department of Labor's Employment and Training Administration.
